“ It is just so hard to even try to express the right words about Jerry - he was such an absolutely wonderful man; SO full of life, SO full of love, SO full of laughter and happiness, and he always had a smile or a hug, or both! He and Maggie were always side by side in everything they did, and you could see the love they had for each other. We are truly going to miss Jerry so very much; we already do! All of the joking around he and Mike would do back and forth; and just the honest-to-goodness laughing. The memories are endless. I can't believe we're never going to see that smile or hear that laugh again. Heaven is getting quite a special angel up there. Maggie, Teri, Tim, Tony and families - you continue to be in our prayers; we are all blessed to have known Jerry but we know this is so hard on all of you - God's blessings to you. Love, Mike & Jeanette Buttell & Family
