“ *Dear God, You see this family who is hurting right now because of losing a loved one. I pray for You to comfort and carry these precious people in their pain, loss, and sadness. Cover them with Your love and peace. Their hearts and minds are weary, so humbly I pray that You can provide them the peace and rest their hearts seek. I offer this prayer for healing their hearts as they learn to navigate life without their loved ones. Let them find serenity in You, knowing their loved one is at peace in Your arms. I pray they take comfort in knowing that their loved one is already in a better place. In Your most Holy name, I pray. Amen*
