“ It was always so much fun as adult nieces of Carol’s to come up in the summer and hang out with her. We’d go bombing around with her all over God’s creation ...she was ALWAYS up for anything! In true Stoltz fashion she always had something to tell you...she answered so many questions from us connecting who was who when we’d run across people we weren’t familiar with...a bit of a historian. I can still hear her say “what/how should I say” an often spoke lead in to her answer or comment. I will miss her soft cheek to nuzzle when giving her a hug and squeeze...it was the closest thing to a hug and kiss from my mom. Say hi to all the family up there Carol! Love the stuff’n out of you!
