

DANIEL ALAN FORRESTER

December 27, 1980 - February 7, 2025

Daniel Alan Forrester, 44, of Caledonia, passed surrounded by his loving family on Friday, February 7, 2025, at North Memorial Health in Robbinsdale, MN.

He was born December 27, 1980, in Galesburg, IL, to Mark Alan and Sharon Teresa (Colsch) Forrester. Daniel always found a reason to smile and enjoyed music, including writing and singing his own lyrics and playing acoustic guitar and drums. He made friends with everyone he met, treating them with unconditional kindness and compassion. Faith, family, and friends were an important part of his life, and he always made time to visit and pray with them. Daniel, known by those close to him as “Star”, was unapologetically himself, always putting others first by sharing his love and friendship with the world.

He is survived by his parents and 10 younger siblings, Diana Forrester of Caledonia, MN, James Forrester of Caledonia, MN, Michael Forrester of Caledonia, MN, Andrew Forrester of Caledonia, MN, Paul (Danielle) Forrester of La Crescent, MN, Jonathan (Bianca Villeda) Forrester of St. Paul, MN, Stephanie (Kyle) Selbach of Sun Prairie, WI, Amanda (Conrad) McGill of Lexington, NC, Adam Forrester of La Crosse, WI, and Seth Forrester of La Crosse, WI. He is also survived by 9 nieces and nephews with more on the way.

A Mass of Christian Burial will be on Saturday, February 22, at 11:00 A.M., at St. Mary's Catholic Church, Caledonia, MN. Father Andrew Vogel will officiate and burial will be in Calvary Cemetery, Caledonia, MN. Visitation will be from 10:00 A.M. to 11:00 A.M. preceding mass. A luncheon will be held in Holy Family Hall following the burial service.

holy wow, I knew Star and I use to festival hop with Star and a few of the gang back when I was in college. I didn't know he passed. Last time I ever saw him was right before he got in that accident in NY and when Jesse and all them got in trouble I fell out of touch and moved out west... This pic is how I remember him for sure. Some wild times he got me into that I'm still not sure if I regret or not lol... Sad to hear he passed but I was honestly surprised he was still around because I coulda sworn I was told he was not ok or not gonna be around for long. He gave me my first ever real nugget :P It was North Star too ironically or not lol I'll never forget the time he thought the FBI was chasing him around at Harmony Park. Epic memories I will never forget... Trying not to say anything inappropriate but that's the Dan I knew :)
