“ *Dan was one of the nicest people I have ever met. I so enjoyed visiting with him - usually at Elsie's. Everyone there loved Dan. He was so friendly and I loved seeing and hearing about his latest watch and hearing about his cooking and grilling and the seasonings he used. He loved talking about his granddaughter as well. I considered Dan a wonderful friend and truly miss our conversations. He was looking forward to his retirement in a year or so and it is sad that he was that close and will never get to enjoy it. The Lord had other plans and Dan is enjoying the ultimate retirement in heaven. Rest in peace dear friend. You are missed but we will see you again one day.*

“ *I will never forget Dan taking the time to visit with my mom...Marliss. My mom considered Dan to be one her good friends. I got to know Dan a little bit after my mom got sick with cancer. He would stop by to visit her. Dan was a beautiful soul! He will be greatly missed! May God bless you!*
