“ There are so many great memories of this great man. He was always sure I had some sleeping space at the Olson ranch. I worked at the nursing home & drove to school. At 9:00 shift end, if there was any inkling of the Brownsville road winter driving issues, he was the 1st to tell me I was staying over nite. Of course anytime around Halloween he'd always tell me I was up on his wall again "Wilma the Witch". Unbelievable the outstanding life he lived, how many lives he touched, & set such a good example for many. Marion & family, Dave left such a legacy & you have tons of memories to hold close to your hearts! Our sympathy to you all!!!

“ Dave was and always will be man with conviction. I feel blessed to have known Dave through our many conversations. I met Dave and his family through his firearm safety classes. The classes with his grand kids were the best. You could see Grandpa Dave passionately instructing and sharing his knowledge. Thanks Dave. You have touched so many life's.
Father God , Welcome Dave to heaven. Watch over his family. May all his family and friends recieve the Holy Spirit during this time of grief. I pray this in your name Jesus. Amen

“ We send our prayers and condolences to all of David's family. He was always so easy to talk to. Whenever we saw him, he would take the time to have a conversation. I really appreciated his willingness to share the Hauser/Halverson family history with my birth mom.
Unfortunately, we are out of town on Saturday and will not be able to attend the visitation. We are so sorry we can't be there.
David will be greatly missed.
Sending love and hugs to all of you,

“ How do you state 56 years of David being my Uncle in a few short sentences? I will carry his smile and helping spirit in my memories. He was a staple and a rock for the family. He was my dads brother and his best friend. Love ya Uncle David. You will be missed
