“ Jerry was a very good man and nurse. I had the privilege of working with him for a number of years @ Mayo in La Crosse. More recently I would see him at rural auctions in SE Minnesota and enjoyed sharing stories about the "good deals" we had discovered over the years. It has been a number of years since we last crossed paths but will always remember his kindness as a person and professionalism as a nurse.

“ To Jerry's family and friends, my deepest sympathy. Jerry was there to lend an ear when I needed it most. My husband had terminal cancer, and this would be his last Christmas. We were working the night shift together over the Holidays and yes it was Jerry's birthday.in there also. He was a good "listener", and helped me understand my adult kid's behavior,(who were going through their own grief process too) I was so thankful for his support and will never forget it. God bless

Jerry was a best friend and caring person to everybody he knew.. He was the best man at my wedding when Judy and I were married and were had many great times over the years. The distance we lived from each other didn't keep our paths from crossing. He will be missed but will always be there.
