“ I don't ever remember a time that I didn't know Kathie. When she first came to Loretto Heritage back in 2014 I use to go to her office along with others who would show up and we would all visit and laugh. I always liked her smile and chatting with her and Donnie when they were outside. It's hard to believe she isn't here anymore. This is a huge loss for us all and she will definitely be missed not just at Loretto Heritage but the whole community. With that said, May the good Lord bless you all! Shalom.

“ You have my deepest sympathies. When I moved to Caledonia, MN, and to Loretto Heritage HAVen Apartments and way beyond her responsibilities as a property manager to make me feel like this was my "home." As the years progressed we became good friends and she helped me during a lot of hard times in my life. Enjoy your new "home" in Heaven with Donny.

“ So sorry to hear of Kathie passing. During my tenure as a financial worker at Houston Co Human Services, I worked with many clients in which Kathie was their guardian/conservator. She was a pleasure to work with! RIP Kathie. You were a true gem!
