“ I was so sorry to learn of your father's death. I am remembering so many times from years ago when we were so glad to have the Reinhart family for neighbors. All of you came to our rescue many times. I remember what good babysitters Lynette and Julie were for Shannon and Casey. I remember the times that Lorraine stepped in when we were facing some kind of a family or farm crisis here. I remember Ken going to work with Leonard in his last years of working on construction. Lorraine did not want Leonard all alone on the job. It sounded to me like they had a very good time together, and I wonder just how much they accomplished. My family treasures all those good memories, and we extend our deepest sympathy to all the Reinhart "kids".
