Lisa Marie Schwidde

May 18, 1966 – November 18, 2025

With profound love and deep sadness, the family of Lisa Schwidde announces her passing on November 18, 2025. She left this world peacefully, surrounded by family, held in the same love and warmth she so freely gave throughout her life.

Born on May 18, 1966, Lisa was a woman of unwavering strength, kindness, and generosity. Her greatest joy in life was her family, whom she supported, encouraged, and loved with her whole heart.

She is survived by her sons Nick, Nathan, and Nolan Rohrer; lifelong friend and father to her children Jeff Rohrer; her sisters Donna, Darlene, and Barb; brothers Jeff and Rick; her niece Tracy and nephew David; and her cherished grandson Cooper and great nephew Sean, who brought endless light into her life.

She was preceded in death by her mother Julie, father John, sister Audrey,

and partner Dan; and
now rests with them in eternal peace.

Those who knew Lisa will remember her gentle spirit, her quick sense of humor, her fierce love for her family, and the comfort she brought simply by being present. Her memory will continue to live on in the hearts of all who were fortunate enough to know her.

A private celebration of her life will be held at a later date, where family and friends will gather to honor her legacy of love, resilience, and compassion.

The family would like to thank St. Croix Hospice for the compassionate care given to Lisa

“ *I am forever grateful for the day I met Lisa. I have always told her she is the strongest woman I have ever known. Even though she survived heartbreak and challenges, she has always handled herself with grace and shown a level of forgiveness that is admirable. Her biggest pride are her three sons, my heart goes out to them. I am proud to have called her friend and will miss her terribly. May the family take comfort is knowing she is at peace and keeping a watchful eye*

“ So very saddened to hear of Lisa's passing. I know that she was having some health issues recently and I am relieved to know that she is now at peace and not suffering. I am however, saddened for those who loved her and were close to her and who now mourn for her. I know this is especially difficult for Jeff and your sons. I was always amazed and in awe of how well Lisa and Jeff got along and still cared about each other even though they were no longer together. In fact they still took care of each other when either of them had difficulties. So very much to be said for that. Rest in peace Lisa - I always enjoyed visiting with you. My sympathy to Jeff and your sons and all others who mourn for Lisa.

“ I am sorry to hear about the news of your mother. Lisa was a friend who brought so much laughter when we worked together. She talked of all her boys and loved Cooper. I treasure the time I spent with such a lovely Lady. Rest in Peace Lisa.

“ Nick, Nathan and Nolan, You have our sincere sympathy on the passing of your mother. I didn't know her that well, but I feel like I did, through you. She definitely had her difficult times. Now she's free from all the pain and suffering of this earth. God's blessings to your family as you navigate life without your dear mother. 💙
