“ *Thinking of the O'Heron family as they mourn the loss of Lois. She graduated from hs with my mom who's been gone for 7.5 yrs. Since working at Edward Jones I've seen her out & about a lot which is good she was still able to be so independent. In sympathy...*

“ *Lois always devoted time to my mom and I whenever we came up to visit. She would ride with us and direct us to see whatever we wished to see, visit whomever we could visit and was always so welcoming.*
I will greatly miss her, but I'm sure she and my mom are catching up in heaven.
