“ We were so sad to hear of Marge's passing... however, we know she is amongst the angels. From the first time we met her, she touched our hearts. It was always a pleasure to have her visit us in Canada. Our first stop when we get to the Rio Grande Valley is to visit with Marge. Now, we'll cherish all the wonderful times we got to enjoy life with Marge and remember the little things like "the fun is in the hunt" (when shopping), her sweet smile and twinkling eyes, her laugh... From our family to yours... Our prayers go out to all of Marge's loved ones. Know that she was loved. God Bless.

“ I am saddened to hear of Margie's passing. I have many fond memories of working with her in the Court system in Houston County for many years. She was so full of energy and fun! Always a great time when you were around her! You have my sincere sympathy. Unfortunately I will be out of town for the visitation /service so will be unable to make it. God's Blessings to all of you. Sincerely, Joanne Schuldt

“ Dear family of Marge - Got to Alamo late Sunday afternoon but not in time to give Marge that hug physically, but have been hugging her in our memories. Love the picture you have chosen - SO MARGE!! That smile says it all - she was leaving to join Ben and other loved ones, and most of all Jesus. What a treasure you had with her to give you examples of what life on earth is all about - loving people and life. While our court here in Alamo has been rapidly filling up with winter Texans, there is an empty spot next to Joe B. He will really miss Marge as she was one of his favorite go-to people. He was almost camped out in our driveway waiting for us as he bugged us almost daily to see if we were on the road. We who loved her as a family down here are grateful for the spice she threw into our lives and memories. Please know we share your hurt and our tears fall just as easily. Hugs of comfort to you all.
