“ Mickey was a grade school and high school class mate. Shared e-mails with him @ time of our 50th class reunion. Think he had an interesting life, and did get home to Caledonia on occasion. So sorry to hear of his passing. My sympathy to you, Corrine and family.

“ It was a pleasure to have known Mickey. Growing up with Mike and Scott, he always had a lot of energy and enthusiasm for whatever he was doing. I will always remember his stories and he would keep you on the edge of your seat. Some of them had lessons for us, usually about doing the right thing or not being a dumbass in life. He never missed our games and was always quick to let you know that you did a good job. Whenever I saw him, he would go out of his way to make conversation and always ask how your family was doing. My sympathies to Corrine, Mike, Scott and family. He was someone I respected very much and he will be missed! Mike Stark
