November 8, 1957 - April 24, 2024

Richard William Steele was born on November 8, 1957 to William and Dorothy (Hjellming) Steele. He went to his heavenly home on April 24, 2024

He joined the Navy as a boiler technician and proudly served from 1976 to 1980.

He worked as a construction supervisor for a 200+ man crew in California. After living in El Cajon, California for nearly 20 years, he moved back to his hometown of Caledonia on July 24, 1993.

Rick worked at a local concrete business in Caledonia side-by-side with his brother for many years before retiring.

He enjoyed deer hunting, fishing, cutting wood and gardening with his family and friends.

Rick had lots of good memories of spending time with his dad touring throughout the local countryside looking for coyote and deer. They always had a couple dogs as companions.

He married his best friend Lisa Fultz on June 26, 2022. He loved the Lord, and his family, including many nieces and nephews. He also loved his “fur

baby” a devoted black lab, “Ellie”.

The family invites you to a Celebration of Rick's life on Saturday, June 1, at the Faith on Fire Fellowship, located in the former Kwik Trip building, 110 North Sunset Blvd., Caledonia

“ *Deepest sympathy to Rick's family. I've know Rick since he was about 2 years old, seeing him sitting with his dad in a big soft chair just so he could be close to him. Losing his mother at such a young age must have been very traumatic for him and his 5 siblings, but they all grew in to kind, successful adults along with the 2 younger brothers that were added to their growing up years. I have many memories of those years, and I'm proud to be remembered as their Aunt Emily. My love and sympathy to all of them. .*
