

ROBERT "BOB" SCHILTZ

May 27, 1958 - September 7, 2024

Robert (Bob) Schiltz, 66, passed peacefully on Saturday, Sept. 7 at Gundersen Hospital in La Crosse, WI.

He was born May 27, 1958, in La Crosse to Eugene and Mary (Lemke) Schiltz and raised in Caledonia, MN.

Bob is survived by his children, Jim (Becki) Schiltz and Stacy (Jay) Gonzalez; grandchildren Cooper & Cameron Schiltz and Ayden & Addison Gonzalez; brother Tony (Carol) Schiltz; sister Sarah Deters; twin brother Bill (Jen) Schiltz; brother Marty Schiltz; sister-in-law Jane Schiltz; and numerous nieces and nephews.

He was preceded in death by his parents; and brothers Paul & Fred Schiltz.

Tribute to His Memory

Bob was referred to by many as "Everywhere Bob" since everywhere he went, he seemed to know somebody. He was known for calling everyone by their nicknames – so much so that to this day, his children barely know folks' real names.

His laugh was contagious. He loved to tell jokes (even if it was the same two jokes for 30 years) and everyone laughed just as hard the last time as they did the first because of his delivery. He always carried love and pride for Jr. (Jim) and Princess (Stacy) and grandkids.

Although we lost most parts of his infectious personality some time ago due to challenging health issues, his family still only remembers him by the charm he brought to the room. He still would surprise us with his sense of humor in recent years, and his last words were an off the wall (untrue) story – leaving us all smiling and laughing, the only way he would have wanted it.

A Celebration of Bob's life will be at 11:30 am, Thursday, September 12, at the Four Season's Community Center, 900 N. Kingston St., Caledonia. Visitation will be from 10 to 11:30 am at the center. Burial will take place at a later date in Calvary Cemetery, Caledonia.

“ When we moved to Caledonia, Bob and Bill were the only ones I knew in my grade. BJ always had a way of joking with you to make you feel special. He was definitely one of a kind. RIP BJ

“ Everybody knew and loved BJ. BJ pranked me at an Apple Annie show. I had asked the bartender for a tall glass of water, and unbeknownst to me, BJ told him to make it a double vodka. I took a big gulp and about choked! I think I sang really well that night 😊. My deepest sympathies to his family and close friends. He will be in my prayers tonight.

“ I remember walking down from shop class and some older people were laughing at my project . All of a sudden Bob shows up and tells them how much my mom is going to like the flower planter I made for her. They all quit razing me. I always enjoyed talking with him , and will never forget when he showed up in my life on the walk down from shop . Rest Easy

“ Anyone can tell a "dumb joke" to a group and get a groan from everyone hearing it.....Bob could tell a "dumb joke", laugh hardest at the joke...and bring the rest of us along for the laugh.....

And for those of us from the class of 1976....we will remember those goofy moments in the halls of Caledonia Senior High, or on he wrestling mat in the lunch room.
