

RYAN PHILLIP WIESER

July 6, 1984 - January 24, 2022

Ryan Phillip Wieser, 37, died peacefully on January 24, 2022, wrapped in the arms of an angel.

Ryan was born on July 6, 1984, and adopted by Dick and Sheila Wieser, the 9th child of his future family of 12 children.

Ryan was born 2 ½ months premature with complications at birth. Because of the complications, Ryan was a special needs child, but to all who loved and cared for him, Ryan was just special.

Ryan lacked many physical capabilities, but his big grin and gentle spirit made everyone who knew him “have a good day”.

Ryan is survived by his parents, five sisters, Melissa (John) Atkinson, Jill (Brian) Zifko, Katie (Aaron) Miller, Jaclyn Wieser, Elizabeth Wieser. His 4 brothers, Todd (Gina) Wieser, Matthew Wieser, Peter Wieser, Josh (Kristal) Wieser. He was preceded in death by his brotherS, Michael Wieser (2009), Jon Wieser (2021).

Ryan is also survived by his loving family of caregivers at ABLE Lancer House in La Crescent where he happily lived for 18 years.

Also surviving Ryan are his 20 nieces, nephews, many aunts, uncles, and cousins and many ABC workers and staff.

From Ryan's life, all of us were given much love and in return were shown how to simply love.

His crippled body will now run with the angels.

Memorials may be given to Lancer house, ABLE Inc. or ABC works, La Crescent, MN.

Ryan's family wishes to sincerely thank the caring staff on the 6th floor of Gundersen Health System for their beautiful end of life care.

Visitation will be on Wednesday, Jan. 26, from 6:30-8pm at Church of the Crucifixion, La Crescent, MN. With a funeral mass on Thursday, Jan. 27 at 11:30. Visitation will also be from 10:30 to 11:30 am Thursday morning before the service at the church.

The funeral will be livestreamed at Missy Wieser Atkinson Facebook page and will later be downloaded on this website.

“ *My parents just shared with me the news of Ryan's passing and I wanted to honor him today. I grew up with Ryan, attending school in LaCrescent. Our grade was continually blessed by getting to know him and learn from him. His infectious smile and joy was a beautiful gift to grow up with in the classroom through the years. Thank you Ryan for sharing so much with this world. I love picturing your entrance to heaven and what a celebration that was. To your family, I pray for comfort and peace that comes from the hope we have in Jesus. You are in my thoughts and prayers,

“ I met Ryan during Pet Therapy sessions where Ryan lived in La Crescent. We were able to get Chance's orange ball into his hand and he would drop it for Chance to retrieve. It made us all happy and made Ryan laugh - a win for everyone! Thank you for that Ryan.

“ I will always remember Ryan he was a grade ahead of me. I will always remember his awesome smile. Every time I seen him and said hello he would start moving his arms and get a big smile on his face and start giggling. He would light up a room and make people laugh. You will always be remembered. “ Good old friend, time is short but, never was it short with you. From the first day I took you out to work at goodwill, and I had you thinking I left you on the ramp alone. I was behind you and barked like a dog and you almost jumped out of wheel chair and just started laughing nonstop afterwards. To the days when I could take you home with Lala and you eat dinner and watch a movie with us and the kids, To our last wonderful years we had together at ABLE. To taking you to family events, and being welcomed by some of the most amazing ppl and family I've ever met. No wonder you were full of so much joy. The love you were given. You returned to everyone you came across along the way. You were always a gentleman and ladies man wrapped in one. A jokester and an amazing, caring, funny, and will be greatly missed brother, son, and friend. Watch over the rest of us with your light. See you one day, keep the lights on for me. Cause your light will be one I'd be humbled to see. Love you and will miss you always, my brother and friend!!! Damon B. Manns III and Tanner James Manns your God son.

“ I have many happy memories of Ryan when he was a young boy. We did birthday parties with his friends Luke and Lee. Lots of laughing and eating. We ended every evening with a visit to Grandpa Johnson, where Ryan got to eat M&M's while sitting on Grandpa's lap. I don't know who liked it more. I also took Ryan to Horse Sense, he loved riding, with a helper on the horse with him. I love you, Ryan, you had a full life.

“ Oh Ry-guy, I will never forget your smiling face; your love for life, jokes, and rock music; or your absolutely amazing and loving family. Your light shined so bright. It cannot be distinguished. Although it doesn't seem as bright now, your light will continue to guide us through these tough times. You may be gone, but you will never be forgotten. Rest in peace.

I had a phone call from Ryan a few months ago (with a little help of course) and as always it made my day! Our calls always ended with "Am I still your favorite nurse?, and he would say YA and giggle, then I would say do you say that to all the nurses and he would say YA and give his high pitched squeal!" I will remember him for his bravery, silly humor and true love of life. My thoughts and prayers to the entire Wieser family. Nurse Sue
