“ I have nothing but pleasant memories of Sandra from when I was growing up until the last time I spoke to her a few weeks ago. Sandra was always kind and loved calling me Johnny even after I was married. I feel blessed to have known her and she will be missed by many. See you in Heaven some day Sandra :) My heart goes out to Al, Griffin, and Julie.

“ Even though my sister, Sandra, was 17 years older than me and always lived in another state while I was growing up-we were always close. So many great memories of going to visit her and Al in Wisconsin and Minnesota, her short and long visits here, and her phone calls-where we would talk for an hour about nothing! She may be gone, but she will always be in my heart....❤️ Love ,
Marylynn
