“ *Sheila was so special. We worked at Quillin’s together, twenty years ago. She was such a good hearted person. Sheila, always had the best stories, and was extremely compassionate and loving. I’ll always remember her smile, she lit up talking about all her children. I’m sorry to hear of her passing. I remember the song we liked to hear over the PA system, (Louis Prima) pennies from heaven; she lit up every time. God bless all of you this Christmas.*

“ I met your mom when I started working at Festival Foods we mediatly became very close friends a fun find memory is when your mom and I did our Zumba class it was very upbeat and fun however her and I kept bumping into each other we still laugh about that. Your mom was one of a kind she was the most kindness loving person and her family meant everything to her we shared a lot of ups and downs and when she told me she had cancer leaving the doctor's office she was so worried about how you kids would take it and all she wanted was to make sure she got to see her granddaughter born and spend time with her and I thank God for letting her do that I will miss her very much and God bless her family and comfort them during this time of grief please reach out to me if you ever need anything or want to talk
