“ So sorry for your loss. I remember Steve from school. He was a very nice person and smart. He was always fun to be around, very funny. I know that we always looked forward to when he had his birthday. His mom would always make these fabulous rice crispy bars that had this awesome frosting on them, and they were so big. I think he is one of the good guys that will be missed by all!! Peace Steve, Kristie Hosch Reiersen
