“ *Just when we think we are at a loss for words when it comes to brother Ted, we realize we have a thousand memories to share. Sue will never forget Ted's desire to make her favorite birthday cake and the fireworks and bubbly for her 60th. Pat remembers when she was little Ted would put her on a quilt and twirl her around a tree until she fell off. So many great stories to tell. With loving memories and tender care until we meet again somewhere over the rainbow*
