“ *I enjoyed seeing Terry often as I worked in the courthouse as part of my catholic charities duties. Carol, if you feel like saying, can you tell me the cause of his death? Condolences to you and your boys.*

“ *To the Family of Terry,*

My sympathy to all of you. Terry was a wonderful man. I had the pleasure of getting to know him through the Department of Corrections...I think this was a side of Terry that not too many people had the chance to see, he truly cared about getting "his people" back on track and seeing them strive in the community. His goals were instilled in everyone me met, his laughter and smile will be missed on this earth, but now heaven has the joy of Terry...

God Bless,
